Dear Martha and Cleve,

We have finished our Sunday dinner. Tomorrow is Sunday and I am in still working. I am playing with the camera and the slide (more study). We getting the children ready for a visit. I would like a camera from side way and so they are planning a picture together. We intend to take the boys across the river and back on a boat ride as soon as

Spencer's answer.

We are disappointed at the news your letter contains about the kids in Spain. I hope that you have had breakfast and breakfast and you never feel of new by now?

We shall be around about you all until we hear that you have had enough rain.

Our rainy season is due to convenience here in about a week. So far we have had only a few rainy days mostly the days have been warm and sunny. We are still having tobacco and
