

II

Rua Maestro Antonio Taborda, 6

of an idea what our house is like on the first floor. There are two toilets available on the first floor. But no bathrooms. There is only one bathroom in the house, top floor.

One child

The above will give you something

Upper floor plan sketched

Bathroom is over corridor which runs outside the house. Mrs Pontier has small room and Alice and Elisama have the large room. They are not related, by the way, Alice & Elisama. Closet is handy. Staircase over street useful, too.
